

BERTRAND COYNAULT

Season 2022-2023

Piano recitals

and

Les Toiles Musicales

augmented recital

T

his season, Bertrand Coynault plays a repertoire tinged with impressionism, romanticism and explores the world of fantasy.

Trained by the Russian school, Bertrand Coynault stood out for his daring programs and his natural lyricism. Chopin, Debussy, Ravel, Brahms and Rachmaninov are part of his favorite repertoire.

Bertrand Coynault performs in many halls and festivals in solo recitals and with his show *Les Toiles Musicales*.

## From Dream to Immensity

A program that leads us into the intimacy of dreams to the icy and overwhelming immensity of Russia.
